Dear Sir:

In response to the August 16, 2006, Notice Regarding Drawings, enclosed for filing in the above-referenced application, please find 32 (thirty two) sheets of formal drawings representing FIGS. 1-41. Please replace the drawing sheets presently in the file with the enclosed substitute drawings. Applicant's representative respectfully suggests that the replacement drawing sheets are fully supported by the drawings originally filed with the application, that they fully address the objections raised in the Notice of Draftsperson's Patent Drawing Review, and that they contain no new subject matter has been added.

Thank you for your attention to this matter.

Respectfully submitted,
